

## Vibe Fixer III

Low Noise solution for 3.5" HDDs (IDE/SATA)

### Features:

- Mounting frame for 3.5" HDDs (IDE/SATA)
- Suitable for 5.25" mounting bays
- Rubber bumpers for decoupling
- Easy installation
- Package in 8 languages

### Usage:

With the Vibe Fixer III Sharkoon offers a similarly practical as effective solution for decoupling your HDD. Operational vibrations and noise are being considerably reduced while the HDD stays removable at anytime due to its rail mounting mechanism.

### Package content:

- 2x mounting rails for 5.25" mounting bays
- 4x rubber bumpers
- 2x rubber stoppers
- Set with mounting screws

### Retail package:

PU: 30
